

# ELIGIBILITY VERIFICATION FORM

This form must be completed by a college or university official at your school. This form must be completed and submitted for your team to compete in any Conference One related competitions and activities. The team coordinator may fill out the “player name” section of this form before sending to an administrator. Any additions and changes to your roster must include a new verification form.

## Eligibility Guidelines

1. Players must be enrolled in classes full time at an accredited college or university. Graduate students are eligible to participate if they also meet the university’s credit requirements for each semester.
2. Each player must maintain good academic standing at their college or university. If a player does not meet their school’s academic requirements, they will be deemed ineligible to play in CF1. A 2.5+ GPA or regional equivalent will suffice.
3. Each player must be a minimum age of 18 years old. Players must be verified eligible to participate by their appointed administrator contact.
4. To be eligible to play in Conference One, students must have residency or proof of enrollment in either the U.S. or Canada. Players must be verified eligible to participate by their appointed administrator contact.
5. If the coordinator for your team is also a student and/or a player, they must be deemed eligible as well. Teams may be comprised of 10 eligible students (5 players and 5 substitutes) for VALORANT and 6 eligible students (3 players and 3 substitutes) and 1 coordinator for Rocket League. Coordinators can be a student or school administrator.
